

BAY LAUREL ELEMENTARY ANNUAL FUND DRIVE (AFD) 2023-2024

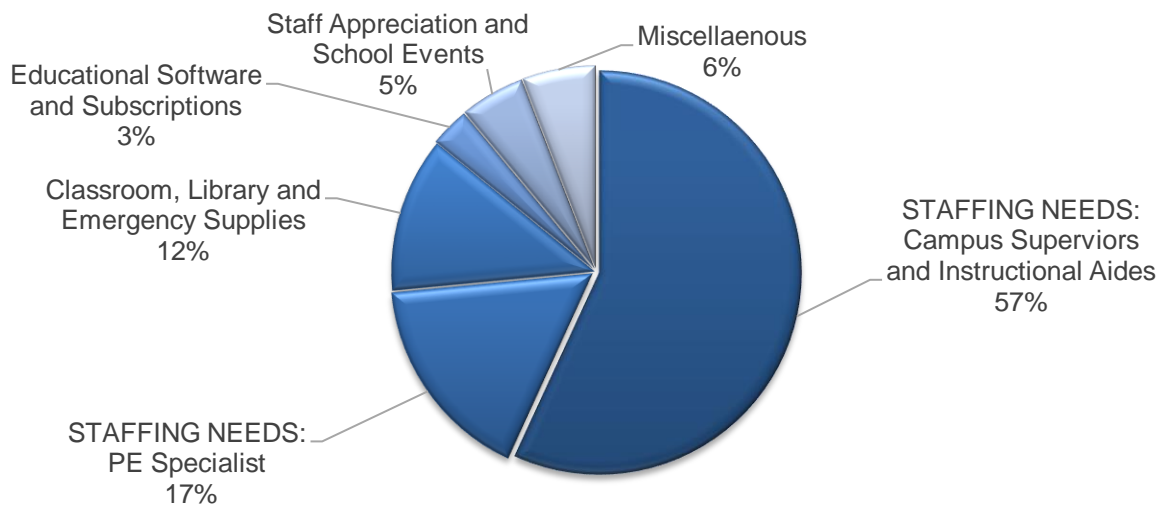

Welcome to the 2023-2024 school year! Your donations to our Annual Fund Drive help support the incredible programs, services, and staff that make Bay Laurel the exceptional public school that it is.

As a public school, we are provided with buildings, electricity, teachers, and basic staff, which we all know is not enough. **That's why your contribution to our Annual Fund Drive, in any amount, is critical.**

We need to raise over \$300,000 this year to enrich and enhance the experience of every Bay Laurel student. Without your support, we do *not* have the funding to continue these programs. Every donation makes a difference and is tax-deductible. Help us reach 100% participation, so we can continue to make Bay Laurel the amazing place we all love.

Based on PFA expenses of \$393,363, your AFD contribution helps directly with these areas:
