

**BAY LAUREL ELEMENTARY
ANNUAL FUND DRIVE (AFD) 2018-2019**

Welcome to the 2018-2019 school year! Bay Laurel Elementary is proud to be a California Distinguished School, committed to providing each child with an award-winning education. It is only through our Annual Fund Drive (AFD) that we can maintain this excellent level of learning. **Without your generosity and commitment to ensure quality education, we stand to lose the numerous programs, specialists and amenities that are funded by your charitable donations including, but not limited to:**

- State-of-the-Art Computer Lab
- Library Enrichment
- Assemblies
- Music and Art Programs
- Sports Equipment
- Classroom and Playground Aides
- Collaborative Classroom Furniture
- Classroom Supplies and Supplements
- Physical Education Program and Staff
- Community Building Events
- Media Specialist
- Reading Specialist
- Walkway Aides
- Common Core Technology
- Educational Subscriptions

As a public school, we are provided with buildings, electricity, teachers and basic staff. We need your help to continue to offer these programs to your children and help foster the educational growth of every Bay Laurel student. Without your support, we do not have the funding to provide what we believe are necessities. Every donation makes a difference and is tax deductible. Help us reach 100% participation and receive the incentives below based on the donation level made per child.

ANNUAL FUND DRIVE CONTRIBUTION OPTIONS

SPONSORSHIP LEVEL	CONTRIBUTION AMOUNT	INCENTIVES PER STUDENT
Bronze	\$600	One Bay Laurel Car Magnet per child
