Motion to approve minutes by Ally Scher
Motion to approve seconded by Lianne Bierman

- **PRESIDENT'S UPDATES ([Samantha/Wendy](#))**
 - **General Announcements/District Updates**
 - VAPA-(Visual Arts)- District has been paying for the teachers, but now the funding has expired. We have Prop28 to help but now the budget is down 50%. The district is giving the PFA an opportunity to help pay for a classified position.
 - The plan for the district right now is art one semester and music one semester and sharing the teacher with another school.
 - Hoping to get some help with PFA funding to get a classified person to fill in the gap.
 - Suggestion- Teach the parents how to do the art lessons and they do them with the kids. This was done before COVID
 - Need about \$45K to fund a classified person.
 - Attendees thought this was a good use of our funds. A vote will need to be taken at the budget meeting.
